

Dr. Patsy Kasen Dean of Everglades University

Dr. Patsy Kasen has recently been appointed Dean of Academic Affairs at Everglades University. She has a long history of professional experience in higher education, ranging from working in high school administration to being an Academic Affairs Manager for the University of Phoenix.

She received her bachelor's degree in Business Administration from McKendree College in Illinois and continued to get her master's degree in Business Administration at Southern Illinois University. She completed her education with a doctor of management from Webster University in Missouri.

Dr. Kasen began her teaching career as a faculty member in a St. Louis, Missouri high school, teaching a variety of courses. She then began teaching at a local college, and she soon was working at the University of Phoenix, where she began as a faculty member but quickly moved on to working through the online campus with graduate students.

As the Chair of the FlexNet Program, she had to ensure quality education in the hybrid delivery modality. She also worked as the Academic Affairs Systems Manager and was responsible for training all new faculty, student services programs, and the FlexNet Program.

Dr. Kasen moved to Florida five years ago and has now become dean at Everglades University, a private, non-profit university offering bachelor's and master's degrees in majors such as Business, Construction Management, Alternative Medicine, and Aviation. Everglades is accredited by the Accrediting Commission of Career Schools and Colleges of Technology and is licensed by the Commission for Independent Education, Florida Department of Education. The main campus is located in Boca Raton with branch campuses in Sarasota and Orlando. The local campus is located at 6001 Lake Osprey Drive, Suite 110. Call 941-907-2262 or visit www.evergladesuniveristy.edu for more information.
